

# Millennium Physicians

Effective January 4, 2023, Dr. Gregory T. Seymour will no longer be with Millennium Physicians Association, PLLC. He will be greatly missed.

At the present time, we understand Dr. Seymour has no plans to continue treating patients at any other practice location.

As of this date, your care will be assumed by another experienced Medical Oncologist or Hematologist in our practice.

We would love the opportunity to have you meet our other physicians; however, it is your right to seek medical care from any physician of your choosing. Continuation of your healthcare is important, and you should be seen by a Medical Oncologist, or Hematologist.

Your medical records are confidential, and a copy can be transferred to another doctor or released to you, or a person you designate, by submitting a HIPAA compliant medical records request.

Until a HIPAA compliant request is received, your medical records will remain at Millennium Physicians.
