

## Millennium Physicians

---

November 10, 2023

Dear Patient,

Effective December 31, 2023 Diane D. Nguyen D.O. will no longer be practicing with Millennium Physicians.

As of this date, your care will be assumed by another experienced Medical Oncology/Hematology physician in our practice. We are excited that you will get the opportunity to meet our other physicians; however, it is your right to seek medical care from any physician of your choosing. Continuation of your healthcare is important, and you should be seen by a Medical Oncologist/Hematologist.

Your medical records are confidential, and a copy can be transferred to another doctor or released to you, or a person you designate, by submitting a HIPAA compliant medical records request to our office.

Until a HIPAA compliant request is received, your medical records will remain at Millennium Physicians.

If you have any questions, please contact the office location you are regularly seen at within Millennium Physicians. We are here to make this an easy transition for you.

Best Regards,  
Millennium Physicians
